

19th Annual 70 Mile Coastal Yard Sale

September 17 & 18, 2016

BUYERS' AND SELLERS' LINE ITEMS

in official Booklet distributed to over 12,000 in print and to tens of thousands on-line.

The Line Item feature is designed for people who might have a special, one-of-a-kind, pricey, or large item to list but don't want to host a yard sale. Not necessarily yard sale priced items. Works much like a classified ad.

- Examples of things for sale might be: a tractor, an art piece, or a cabin to move.
- Examples of items to buy might be: discontinued china to complete your set, a car for commuting student, or something for which you've been searching and searching!

Please complete with clarity and write legibly. Buyers and Sellers using THIS form will be included in the official "Booklet"-- IF "line items" are received before our *FIRM* deadline of August 22. More items can be added on back of this page and handed in together, but be sure to write Selling or Buying to indicate which heading each item goes under.

Price is \$20 per item.
